Tax free childcare

We accept tax free childcare as means of payment. Parents/carers must apply and set up an account online: <https://www.gov.uk/apply-for-tax-free-childcare>

The amount we receive comes directly off your account balance.

Universal Credit

You will receive an invoice one month in arrears. Parents/carers pay the full amount, and we send a receipt of payment which parents/carers send to universal credit along with the invoice. Universal credit will calculate how much to re-imburse parents directly.

Consumables and Snack

If you do not wish to pay for specific consumables or snack, for example because you wish to provide your own, please make your nursery aware so next steps can be discussed.

Session times

If you run over the session end time, full charges for the next session will be charged.
