Dear Parents/Carers,

I wrote to you recently regarding the measures being taken in school in response to the Coronavirus situation.

We are continuing to follow advice provided by the Department for Education and Public Health England, in addition to the daily updates we receive from the Cheshire West & Chester Council.

Whilst there is no plan for any school closure at the time of writing, you will appreciate that this situation is currently fluid and fast moving. Consequently, I am working with school staff to ensure that we have plans in place in case of every eventuality.

We will be confirming contact details for all parents/carers over the coming days to ensure that we have the correct telephone numbers should we need to advise you of school closure. Please ensure that you check the information and respond quickly to confirm that the correct details are held.

If the school is required to close, information will be sent to parents/carers via messages on the school website www.hooleprimary.co.uk, our social media feeds (Facebook @Hoolecofe / Twitter @HooleCEPrimary) and text message or for those children who attend HETTY Preschool, there will be a link on the HETTY website home page under the 'News and Events' drop down page.
