

HETTY NEWSLETTER

10/9/18

Hello and welcome to another term at HETTY.

We have had a busy few weeks and have welcomed lots of new little faces to our group. Everybody seems to be settling down well and getting used to the new friends they are making and the fun activities they are taking part in at HETTY.

As the weather will probably be turning a bit cooler soon, please could you ensure that you send a **named** coat in with your child each day. Outside play is a big part of the day at HETTY and so coats will be needed. Also, any other items of clothes (hats, gloves, spare clothes, etc) and bags **must be named** as we have a huge number of children which means things might get mixed up. It would be useful if you could also send a spare change of clothes in with your child each day in case they need to change. Thank you for your help with this.

We are aware that some of our children are asthmatic and therefore need inhalers from time to time. If your child does need one, or any other medication, please can you make sure that you send a named one into HETTY that we can keep in a secure place should it be needed? You will also need to complete a form for our records. Thank you.

Our 'Celebration Board' is up and running and we would love to hear any of your child's achievements or reasons for celebration. Please come in and let us know or just take a look! On the same note, if you would like to see your child's key worker about their profile or indeed anything else, please pop into the office to make an appointment.

We are sending a booklet home for our new children to complete with you called 'All About Me!' We would love it if you could fill it in with your child and return it to your child's keyworker over the next week or so. It would also be great if you could send in a photo of your family to go on the friends and family notice board in your child's group area.

It is important that we have up to date contact details for your children so if you have changed mobile numbers, address or anything else we might need to know, please can you pop in to the office and let us know? Thank you.

We would also appreciate any outstanding completed Nursery Education Grant (NEG) forms back please.

If your child is due to start school in September 2019, please be aware that you must apply for a place by 15th January 2019 either online at www.cheshirewestandchester.gov.uk/admissions or by telephoning 0300 123 7039 for a booklet with more details.

If you are interested in taking a look at Hoole Primary School, there will be open mornings/afternoons for prospective parents on **Saturday 27th October (10-11am)**. There may also be other dates added and we will let you know when these are confirmed. Please ask at the school office for more details.

We're really looking forward to everything we have planned for this term. We will keep you updated on our topics and other information by letters that you will find in your child's bag and hopefully very soon by our new parent app - details on this to follow! Please also check out the HETTY website for photos and any information you might need: hettypreschool.co.uk

Thank you for your support and for your fantastic children!

The HETTY Team
