

Staffing and employment policy

Statement of intent

We provide a staffing ratio in line with the requirements of the National Standards for Day Care to ensure that children have sufficient individual attention and to guarantee care and education of a high quality. Our staff members are appropriately qualified and we carry out checks for criminal and other records through the DBS in accordance with statutory requirements.

Aims

To ensure that children below school age and their parents are offered high quality early years care and education.

Methods

- To meet this aim we use the following ratios of adult to child:
 - children aged two years of age: 1 adult : 4 children; and
 - Children aged three - seven years of age: 1 adult: 8 children.
- A minimum of two staff/adults are on duty at any one time.
- We use a key person system to ensure that each child has two named members of staff with whom to form a relationship and who plans with parents for the child's well-being and development in the setting. The key persons meet regularly with the family for discussion and consultation on their child's progress.
- We hold regular staff meetings to undertake curriculum planning and to discuss children's progress, their achievements and any difficulties that may arise from time to time.
- We work towards offering equality of opportunity by using non-discriminatory procedures for staff recruitment and selection.
- All staff members have job descriptions which set out their staff roles and responsibilities.
- We welcome applications from all sections of the community. Applicants will be considered on the basis of their suitability for the post, regardless of marital status, age, gender, culture, religious belief, ethnic origin or sexual orientation. Applicants will not be placed at a disadvantage by our imposing conditions or requirements that are not justifiable.
- Our setting teacher holds Qualified Teacher Status and experience of working in a Nursery setting. Our Manager has level 3 NVQ and Higher Level Teaching Assistant and has experience of working within a private day nursery setting. The CACHE level 3 Diploma in Pre-school Practice is or an

- We support the work of our staff by holding regular supervision meetings and an open door policy to speak to manager or deputy.
- We are committed to recruiting, appointing and employing staff in accordance with all relevant legislation and best practice.
- We use Ofsted guidance on obtaining references and criminal record checks through the Criminal Records Bureau for staff and volunteers who will have access to children.
