The Patch and use of the school grounds

We are fortunate enough to have our own 'allotment' in the woodland area of the school playground. We will often take the HETTY children to work or play in this area making use of the extended outdoor classroom. We also have access to the school grounds which your children will be able to use to enrich their learning opportunities.

The local community of Hoole.

We believe it is important to utilise facilities in our local community. Children will sometimes be taken out of HETTY to visit various locations around Hoole such as the local shops, the post box and the park. These outings can take place at any time during the preschool day and will always comply with the legal ratio of staff to children.

We therefore ask for your consent to taking your child on such visits in the local community of Hoole under the supervision of HETTY staff members.
