

Dear Parents/Carers

This year, the children at HETTY will be performing their Christmas Nativity on **Tuesday 17th December at 10.30 am and Wednesday 18th December at 2 pm**. If your child does not normally attend on those days, please let us know if they wish to take part, and drop them off at HETTY at either 10am (Tuesday) or 1.30pm (Wednesday). It is important your child is here for these times promptly so that we have enough time to change them into their costumes. The performances will take place in the school hall which you can access through the school community / big HETTY entrance (by the park).

Parents and carers with children in Percy and Fergus groups are invited to come and watch the performance on the Tuesday morning and those with children in Gordon and Edward groups are invited to come and watch on Wednesday afternoon. All children will take part in both performances, it's more for space in the hall that we ask you to come on different days. If there are any problems, please pop into the HETTY office and let us know.

All the costumes are provided for your children so please just come along and enjoy it! It certainly is a performance to remember!

Just to let you know that our HETTY Christmas party will take place on the last day of term, **Friday 20th December**, in the afternoon from 1.30 to 2.30pm. If your child doesn't normally attend HETTY on a Friday but you would like them to come to the party for the afternoon, please see a member of the HETTY team.

We're all really looking forward to the fun we will be having over the next few weeks at HETTY and to seeing you at the Nativity performances. We apologise in advance for the amount of glitter your children might bring home with them from now until Christmas and hope that your vacuum cleaners all work!

All these details are on our website. We also put lots of photos of your children on the gallery page, and also on the news/events page so please do check the website regularly : www.hettypreschool.co.uk

PS. Please be aware that HETTY closes for Christmas on **Friday 20th December 2019** and re-opens on **Tuesday 7th January 2020** (we are closed on Monday 6th for an INSET day).
We hope you have a lovely Christmas.
