At Hoole Church of England Primary School,

learning is active, exciting and out of this world!

For Reception places starting September 2021, please join us at our open days to explore our vibrant learning environment and meet our friendly team!

Please pre-book your tour by emailing us at admin@hooleprimary.cheshire.sch.uk or calling us on 01244 323890

Thank you for your interest in Hoole Church of England Primary School.

Our school is a vibrant and caring environment where staff work in harmony to give pupils every opportunity to let their lights shine brightly. We take pride in knowing every child in our school family as an individual and celebrating their achievements, within school and beyond.

Our school vision and values are clearly demonstrated across our school and are underpinned by our Christian ethos. Our school is enriched by our close links with local churches and faith organisations and we are very proud of the manner in which this enables us to support pupils' personal development and enhance our school offer.

Our engaging, stimulating and balanced curriculum, the array of pupil forums and opportunities for children to contribute to their school and local community, together with an array of exciting indoor and outdoor learning experiences support children to let their lights shine as:

- Enthusiastic, curious and independent thinkers,
- Motivated, reflective and resilient learners,
- Respectful, compassionate and kind friends,
- Confident and thankful individuals,
- Tolerant and responsible citizens.

Our school was judged as Good by Ofsted in October 2019. We are extremely proud that we have an up to date validation of the quality of education at our school. This underlines the standard of education at the school now rather than parents and carers having to rely on Ofsted judgments made several years ago.

We are not stopping! We have lots of innovative and interesting initiatives underway to continue to drive enhancements of what we offer at our school. For example, the introduction of a structured programme for learning modern foreign languages in Reception, Year 1 and Year 2 and our plan to further enrich outdoor learning in our Forest School environment. Mrs Jones, our trained and experienced Forest School leader has big plans for our brand new outdoor classroom!

We are very proud to have retained the Gold Sports Mark in recognition of the quality of Physical Education and the outstanding opportunities pupils have to engage with PE, physical and emotional wellbeing support and sports tournaments within school and beyond.

I would be delighted to welcome you to our school to meet key staff and explore the stimulating learning environment we offer.

Thank you again for your interest in our school. I look forward to welcoming you in the near future.

Mrs Flanders
Headteacher
