

04/06/18

During this half term we have started to cover target words. This helps increase your child's vocabulary, as mentioned in the letter I sent out 15/05/18.

We really value the partnership we have with parents at HETTY and so would love for you to be involved.

If you could circle any words below if you have heard your child saying any of these new words that would be helpful.

Many thanks

Tracyann Worthington and The HETTY Team

Child's name:

dangerous tumbling plank
tower crash

Any child/parent suggested words.
