

The very hungry caterpillar

By Eric Carle

- The very hungry caterpillar eats lots of different foods. Draw a picture of your favourite food
- Make up different sums about the number of foods the caterpillar eats
eg. 4 oranges and 2 plums = 6, etc
- The caterpillar eats different foods each day. See if you can learn and/or remember all the different days of the week
- Paint a symmetrical butterfly – fold a piece of paper in half, open it up and paint on one side. Fold it over and press down to print on the other side then add a body and antennae
- Thread pasta to make a caterpillar necklace
- Make an egg box caterpillar
- Use tissue paper, sweet wrappers, coloured paper to decorate a butterfly
- Use a cup and a fork to create a caterpillar picture
- Cut up a paper plate into a 'c' shape and decorate to look like a caterpillar
- Make a caterpillar or butterfly out of coloured cake cases
- Create a paper chain caterpillar
- Make a caterpillar with different numbers of body segments by finger painting
