Good Afternoon Parents/Carers

Unfortunately, we have had 4 cases of chicken pox this week. Please have a look at the following advice and guidance about what to expect and how to treat chicken pox. We will be unable to accept children back into HETTY until all of their spots have completely dried over.

[Chickenpox](https://www.nhs.uk/conditions/chickenpox/)

Chickenpox is a very contagious infection that causes an itchy, spotty rash. Read NHS information about chickenpox symptoms and when to get medical advice.

www.nhs.uk

Many thanks for your co-operation

HETTY Team
